

## Graphics Warranty

**Skyline Genuine Graphics** *(Produced by Skyline and purchased through an authorized Skyline dealer)*

- Graphics have a lifetime warranty for the original owner against manufacturer's defects under normal use. Warranty covers indoor use only, with the exception of UV direct graphics on Coroplast or Banner Vinyl. Skyline will repair or replace any product which proves defective.
- You have 30 days upon receipt to submit an "out-of-box" defects claim.
- You have 60 days from date of claim to return product determined to be defective.
- 2-year guarantee against color fading on UV direct graphics
- Lifetime guarantee under normal use against delamination on graphics finished with heat laminate. This includes all laminated graphic products except backlit inkjet.  
*(We cannot guarantee graphics that have been handled improperly – folding, kinking, damaged edges or rolling panels too tight can cause delamination as well as paper separation, which is not guaranteed.)*
